

DIPLOMA PROGRAMME OF THE INTERNATIONAL BACCALAUREATE

**IB-coordinator of Gaudia IB-school
Sami Sorvali**

IS THE IB YOUR THING?

GAUDIA

- Diploma Programme is an international study programme maintained by the International Baccalaureate Organisation (www.ibo.org).
- Teaching in English!
- You only study **six subjects** that you choose from **six subject groups**, which means going deeper into the subject. 3 subjects in **HL (higher level)** and three in **SL (standard level)**. The student also chooses these levels!
- In addition, every student does the **Core Studies**: Theory of Knowledge, CAS (Creativity, Activity, Service-> good fun!) and the Extended Essay.
- The whole package resembles studying at University: more responsibility on students.
- IB is very well-known internationally.

SUBJECTS AVAILABLE AT GAUDIA IB-SCHOOL:

Basically, one subject from each group. Two languages + Mathematics are compulsory choices, otherwise the student decides!:

Group 1: Language A: Finnish A, any self-taught literature A language, English A lang. & lit.

Group 2: Language B: English B, Spanish *ab initio*, SL only

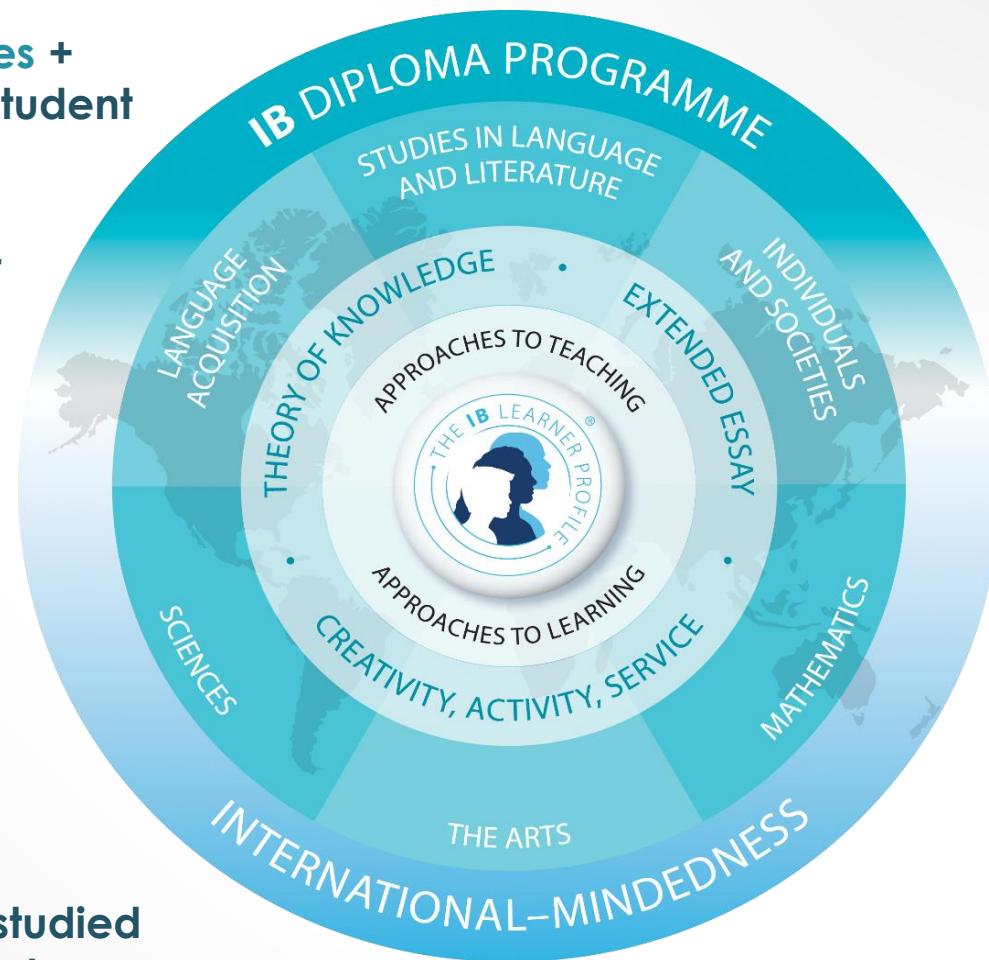

Group 3: History, Economics, ESS (Environmental Systems & Societies, SL only)

Group 4: Biology, Chemistry
Physics

Group 5: Mathematics

Group 6: Visual arts OR another choice from groups 3-5

Other languages, such as German or French, can be studied on the national side of Gaudia along with the IB-subjects
